

Ryan Myers Strong Benefit Day

Saturday,
June 2

Dear Oxford Public School Families,

By now you have probably heard the story of one of our youngest pirates who was recently diagnosed with leukemia. Ryan was a student in my preschool class up until his diagnosis in March and has been unable to attend school since. He has spent much of the past month and a half in the hospital undergoing testing and treatments with his Mom, Dad and brother by his side. I am happy to report that he is home now and the first 30 days of treatment went well, however he and his family have a long road ahead. We held a district-wide fundraiser on Friday, April 13, during which we raised over \$3500 for the family in one day! We are so thankful to all of you who donated. The money raised was given directly to Ryan and his family to help with day-to-day expenses and the ever-mounting medical costs.

With the true spirit of the town of Oxford and our schools shining through, our principal suggested we do something BIG to help this family. So, we have decided to host a full day and evening of activities to celebrate Ryan's bravery and strength and to rally behind his family, showing them what it means to be a part of a much bigger Oxford family. This event will take place in two parts, both on Saturday, June 2. Businesses from all around have graciously donated goods, services and funds and many people have volunteered their time to make this a wonderful event.

We would like to cordially invite you, your family, friends and neighbors to join us in making this day a success. We will be having a Family Fun Day at Chaffee School from 12 until 4, with free bounce houses, face painting, the Oxford Fire Department and Puddles (the fire dog) and other fun outside activities for the kids. We are working on getting food and ice cream trucks and Coco's Tropical Ice will also be there. From 6 until 10, we will be hosting an adult evening of music, food from area restaurants and fun at Singletary. We will be selling tickets in advance for the evening event. We have numerous raffle items (see back) and there will be a silent auction as well, so bring your money and your luck to this fun event! All proceeds will go directly to Ryan and his family. Thank you!

Sincerely,

Catherine Herrick
Preschool Teacher
A. M. Chaffee School

Pre-Purchase Raffle Tickets

(Send your money in to your child's teacher
and we will send your tickets home.)

1 for \$1.00

5 for \$3.00

Arm's Length for \$10.00
