## AFTERNOON PARENT PICK-UP

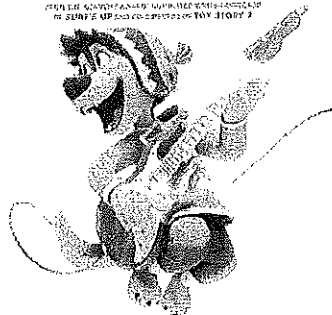

At the request of the fire and police chiefs and the Superintendent of Schools, our parent afternoon pick-up arrangement will be as follows:

- Vehicles arriving for parent pickup are to enter at our *regular* entrance (not the Carbuncle Drive entrance), circling around to the parent drop off area. Please pull forward in the drop off area, keeping parallel and close to the sidewalk. Pull forward all the way to the end of the lot area (your car will be facing the exit-see drawing below).
- Please form two lines of parallel cars pulled forward and all the way to the far right of the drop off area, leaving plenty of room for the buses.
- No cars are to attempt to leave the pick up area until after the first wave of buses leaves. If you are still waiting to exit when the second wave of buses starts to move, please yield to the buses allowing them to exit first as they have multiple runs to make and their timing is critical.
- Please be patient and courteous to others as we line up and exit the parking lot. The police will be enforcing this policy, ticket vehicles that continue to park or stand on Carbuncle Drive.
- If you arrive after about 2:05 PM, it is possible you may not be able to access the parking lot at all due to buses arriving on the entrance road have to double park to fit in, blocking the access. In this case, you will have to wait off of school grounds until the buses have moved forward; clearing the access.
