

# Parent Pick Up Procedure

Just a reminder when picking up your child from **after school activities** in the afternoon:

- **Grade 7 parents should line up on the gym side of the parking lot starting behind the orange cones.**
- **Grade 5/6 parents should line up in the parent pick up lanes. Please fill ALL THREE lanes of parent pick up and be sure not to block the lanes closest to the side walk.**
- **Please be sure to keep the section of the loop between the parking lots clear for cars to pass.**
- **Please do not pull up to the front of the building and park in the fire lane.**

Cooperation in this will help parent pick up for after school activities move safely and efficiently. Thank you.
